**This beautiful musical tells a true story that has become something of a legend: on September 11, 2001, the residents of the isolated, small town of Gander, Newfoundland played host to the world. What started as an average day turned into a legend of Canadian hospitality when 38 planes, carrying thousands of people from around the globe, were diverted to Gander’s airstrip on a moment’s notice, doubling the island’s tiny population. In the week after 09/11, residents banded together to house, clothe, feed nearly 7,000 plane passengers, cheering the stranded travelers and building lasting connections with them through empathy, music & an open bar.**
